POLICY  
STATEMENT**At Tenneco, we:**

- live by our core values
- drive ownership and accountability for EHS issues by everyone to ensure compliance with legal and other obligations
- have a continuous improvement mindset that focuses on seizing opportunities to make Tenneco win the trust and confidence of all stakeholders, and be the preferred partner to our customers
- execute improvements with organizational velocity to create and maintain safe and healthy workplaces by eliminating hazards, protecting the environment and maximizing energy and other resource efficiencies
- ensure our colleagues and other stakeholders are empowered to execute EHS improvements promptly through consultation and inclusion in improvement programs
- are focused on elimination of risk in our higher risk activities to prevent injuries and keep all stakeholders safe
